1. Factory Profile & Compliance Infrastructure

Shanghai Haobin Cultural Supplies Co., Ltd. (H&B; Art) is an established Chinese manufacturer dedicated to developing and exporting premium artist materials. With a production footprint of 1,850 square meters, automated lead assembly equipment, modern ink filling lines, and strict multi-stage QC, we serve leading art chains, private label brands, and school distributors across North America and Europe.

International Regulatory Compliance Overview

Compliance Standard	Target Jurisdiction	Scope & Safety Mandate	Verification Status
ASTM D-4236 (LHAMA)	United States	Toxicological risk review verifying zero acute or chronic toxicity for artist materials.	Certified & Labeled
EN 71 Parts 1, 2, 3	European Union / UK	Mechanical safety, flammability, and strict heavy metal element migration limits.	Full Test Reports Passed
EU REACH SVHC	European Union	Free of 240+ Substances of Very High Concern; safe for school & retail distribution.	SVHC Compliant
BSCI Social Audit	Global / Supermarkets	Ethical labor, fair workplace conditions, and environmental compliance audit.	Facility Audited
ISO 9001:2015	International	Quality management system ensuring consistent batch-to-batch color stability.	Certified QMS

Why Global Brands Partner with H&B;

Direct Factory Pricing Zero broker markup. Direct ex-factory wholesale tiers allowing 45-60% retail margin for distributors.	Flexible Low MOQ Policy Standard custom OEM begins at 500-1,000 sets with digital proofing to lower trial order inventory risk.
SV Anti-Break Bonding Special core-to-wood SV bonding technology preventing lead breakage during cross-border transit.	DDP Door-to-Door Logistics Comprehensive customs clearance and duty-paid delivery directly to Amazon FBA or regional warehouses.

2. Core Category: Custom Colored Pencils Series
